

## **Request for Proposal (RFP) #04 — 2025-08-13**

**Deliverables:** Raw FCS files, gating strategy report, annotated spreadsheets, and a final PDF summary.

**Scope:** Include PBMC isolation, flow cytometry panel with 16 colors (CD3, CD4, CD8, CD45RA, CCR7, IFN $\gamma$ , TNF $\alpha$ , IL-2, etc.), and ELISA for cytokines.

**Budget:** Provide line-item costs for reagents, instrument time, analyst hours, and QA review.

**Background:** Sponsor requests a preclinical immunogenicity study assessing T cell responses to candidate antigen.
