

## **Request for Proposal (RFP) #08 — 2025-08-13**

Data: Provide sample size justification (power=0.8), expected effect sizes, and statistical plan (ANOVA with post-hoc tests).

Budget: Provide line-item costs for reagents, instrument time, analyst hours, and QA review.

Deliverables: Raw FCS files, gating strategy report, annotated spreadsheets, and a final PDF summary.

Timeline: 6 weeks from sample receipt; milestones at week 2 and week 4.
